

IM editorial schedule & distribution* 2009

(Subject to change)

Month	January 2009	February	March	April	May	June
Magazine theme	Lithium	Ceramics Bauxite/alumina	TiO ₂ /Minsands		Magnesite IM 500th issue	Ceramics
Features	European lime Iron oxide pigments Abrasives market Li battery outlook	Calcined alumina Fluorspar review European IM production Graphite	Chromite South America Mica	China Fertiliser market Lithium review	The state of the industrial minerals market Potash MagMin09 abstracts	Ceramic clays Saudi Arabia CO ₂ sequestration
Processing	Grinding media	Dead burned magnesia	Wollastonite	Kaolin	Bauxite	Ground calcium carbonate
Logistics	Enclosed conveyors	Feldspar - Turkey	Minsands - Australia	Barytes - China	Soda ash - USA	Olivine - Greenland
Wallcharts	Mineral Processing 2		Functional Fillers			
Distribution*	Lithium Supply & Markets Santiago, 26-28 Jan.	Cevisama Valencia, 10-14 Feb. 15th Bauxite & Alumina Montego Bay, 11-13 Feb. SME Ann. Meeting Denver, 22-25 Feb. 7th Int. IM Symposium Kusadasi, 25-27 Feb.	TiO ₂ 2009 Rome, 17-19 Mar. Workshop on Saudi minerals Jeddah, 9 Mar. High Performance Fillers Barcelona, 4-5 Mar.		MagMin 2009 Amsterdam, 10-12 May	Ceramics China 2009 Guangzhou, 1-4 June
Ads Copy deadline	28 November 2008	16 January 2009	13 February 2009	13 March 2009	17 April 2009	15 May 2009

*as of 10/08; other event distributions may be added and subject to change as year progresses

Plus each month's issue of IM includes:

regular news pages - News at the Core, Strandlines, Market Monitor, Refractories Hotline, People & Places, Comment

regular departments - Continental Drift, Minerals on the Move, Freight Market Report, Exposure, Making the Grade, Legal Eye

Why should I advertise in *Industrial Minerals*?

- **Experience** – *Industrial Minerals* has over 40 years of experience providing knowledge and research to the industrial minerals industry;
- **You can reach the global market** – delegates and subscribers come from over 72 countries world-wide;
- **Knowledge and dedicated research** – We provide the ideal editorial environment in which your advertising can be positioned;
- **Access to highly targeted audiences** – meet decision-makers and budget-holders at our conferences and exhibitions;
- ***Industrial Minerals* is the only international publication devoted to the non-metallic, non-fuel minerals industry;**
- These products and services are trusted and respected within the industry.

***Industrial Minerals* is the undisputed market leader.**
